PRESIDENT'S TRAVELS

1-9) Rotary International President Gary C.K. Huang and his wife, Corinna Yao, joined Rotary club members at the 126th annual Tournament of Roses Parade in Pasadena, Calif., on 1 January. The Rotary float's 2015 theme was "Changing Lives Through Clean Water." Ken Schuppert, aide to Huang, and his wife, Lynn (top and above, left); Roxanne and Wade Nomura, a member of the Rotary Float Committee; and Edwin Velarde, a member of the Rotary Club of Westlake Village, also rode on the float for the 5 1/2-mile route. This was the 39th year that a Rotary float has been in the parade. More than 40 million U.S. television viewers tuned in to watch the event.

10) Sri Lanka's forest coverage has depleted from 53 percent to 29 percent over the last two decades. In response, District 3220 has launched a project to plant one million trees in one year, and five million trees in five years. **11)** In December, Huang traveled to Sri Lanka to kick off the One Million Tree Planting Project. **12)** Huang made the front page of the Sri Lankan newspaper the *DailyFT*, which covered his visit and participation in the One Million Tree Planting Project, and discussed Rotary in Sri Lanka. **13)** The Rotary Club of Ibbagamuwa, Sri Lanka, worked with nearly 2,500 local farmers to plant one million seedlings at a nursery. **14)** The trees eventually will be planted in the protected area of six reservoirs in the Kurunegala District. Each tree will be tagged in partnership with Google Earth so sponsors can monitor the plants' growth. **15-16)** While visiting Istanbul, Huang presented Murat Hazinedar, the mayor of Beşiktaş, with a Rotary pin after he accepted his invitation to join. **17)** Huang met with Mohammed A. Latif, governor of District 3282; District Rotaract Representative Hussain Ahmed Shipon; and several Rotarians and Rotaractors in Bangladesh. **18)** During an interview with TVBS television in Taiwan, Huang shared his Rotary stories and service experiences. **19)** Huang also sat for an interview with a local news station in Sri Lanka.
