1965 年扶輪 60 週年紀念，為世界各地的扶輪集郵愛好者帶來了特別的喜悅。原因是：兩個國家發行了特別紀念郵票。

中華民國（臺灣）於 1965 年 2 月 23 日扶輪紀念日，發行了三種面額的新郵票。郵票圖案展示扶輪徽章後面有一個緊密盤繞的彈簧，象徵著「準備行動」。在 1962-1963 年度地區總監張申福的領導下，345 地區的扶輪社要求政府，將「扶輪 60 週年紀念」設定為郵票主題。中華民國郵政因此發行了一套三枚郵票，面額分別為新臺幣 1.5 元（紅色）、新臺幣 2 元（綠色）、新臺幣 2.5 元（藍色）。

Rotary's 60th Anniversary in 1965 has brought a special excitement to Rotarian stamp collectors around the world. The reason: two countries have issued special postage stamps saluting the event.

The Republic of China (Taiwan) on 23 February 1965, the birthday, issued a new stamp in three values. The new issue shows a tightly coiled spring behind a Rotary wheel, symbolizing "readiness for action". Under the leadership of 1962-1963 District Governor "Sunny" Chang Shen-Fu (張申福), the Clubs of District 345 asked their Government to dedicate the issue to Rotary's anniversary. The Chinese stamps were issued in denominations of NT\$1.5 (red), NT\$2 (green), NT\$2.5 (blue).

幾週後，即 4 月 5 日，盧森堡大公國也發行了一枚新的 3 法郎郵票，以慶祝扶輪鑽禧紀念。郵票展示了胭脂紅底色、藍色和金色的扶輪徽、多個灰色旋轉齒輪。它是根據盧森堡扶輪社的建議，設計和印刷的。盧森堡扶輪社也贊助首日封的銷售，所得淨收益捐給扶輪基金會。

A few weeks later, on April 5, the Grand Duchy of Luxemburg also issued a new 3-franc stamp commemorating the Anniversary. The stamp shows a Rotary wheel meshed with several gears in carmine, gray, blue, and gold. It was issued following a suggestion from the Rotary Club of Luxemburg. The Club also sponsored the sale of first-day-of-issue covers, with the net proceeds marked for The Rotary Foundation.
