TIENTSIN Rotary Club No. 1444 celebrated its twelfth anniversary at a gala dinner in the Tientsin Club on May 9, 1935. A very enjoyable evening was spent, during which reminiscences of the initial stages of the inauguration of the Tientsin Rotary Club were related by chartered members.

The Tientsin Rotary Club was affiliated with Rotary International on May 10, 1923. The present membership is 61, including 14 different nationalities.

We note by the Tientsin "Mandarin," that several short, entertaining speeches were given on a wide variety of subjects.

THE ANNUAL Father and Son Tiffin of the Tientsin Rotary Club was held at the East Arsenal Barracks within the precincts of the French Colonial Army Barracks.

In former years the Father and Son Tiffin was usually held in a hotel, after which a movie show or other entertainment was arranged for those present. This year a new departure was made by having a picnic. The cooking was handled by a U.S. Army kitchen squad and the meal was very enjoyable.

Races of various kinds were held with the collaboration of fathers and adopted fathers. A good time was had by all.
