November 1951 – George Ernest Marden, the first Hongkonger serves as Rotary International Director, addressing the Hong Kong Rotarians at his Home Club, while President Kwok Chan (郭贊) presiding the meeting.

The British Crown Colony Hong Kong located at the south China coast was the first prospect of Rotary International to extend Rotary landing on the continent of Asia. The story has to be dated back to June 1918. In his annual report to the Board of Directors of International Association of Rotary Clubs (forerunner of Rotary International), Secretary Chesley R. Perry wrote: “We have recently received words that the Rotary Club of Hong Kong, China, has been organized through the efforts of Mr. Coombes of Calcutta, who when in Chicago recently accepted the assignment to organize a Rotary Club in Calcutta.” However, failure reports were received after several attempts not until the visit by Jim to Hong Kong in 1930--- the last goal of his Far East Rotary Extension Mission in two and a half years. The birth of the Rotary Club of Hong Kong was given by the voluntary mission of Past President “Jim” James Wheeler Davidson (禮密臣/達飛聲) of Calgary Rotary Club, Alberta, Canada, and who was the 3rd Vice-President of Rotary International in 1926-1927, with the assistance of his wife Lillian and daughter Marjory. Jim was an explorer, writer, United States diplomat, merchant and philanthropist. Affectionately, Jim was honoured as “The Marco Polo of Rotary” who established most of the first Rotary clubs in countries of the Orient.
